STRENGTHENING AND EQUIPPING HIS CHURCH

ETHIOPIA

DISCIPLESHIP BOOK FOR NEW BELIEVER

A nationwide evangelistic thrust over the past year resulted in tens of thousands of new churches/house churches established. Church planters are overwhelmed with requests for discipleship material. The gift given in your honour will help Empower provide a specially designed book describing how to grow in the Lord and organize a house church gathering.

*This gift has been
given in your honour.*

"...and may the Lord cause you to increase and abound in love for one another, and for all people, just as we also do for you."

1 Thessalonians 3:12
