CHILDREN'S BIBLES

In a region where low literacy levels are common, an innovative Bible storybook is proving very effective in communicating the love of Jesus. This high-quality, beautifully illustrated book is a striking work of art that families will cherish for its message. The gift given in your honour will help Empower flood the region with copies of this Arabic "family-friendly" Bible this Christmas season.

*This gift has been
given in your honour.*

"...and may the Lord cause you to increase and abound in love for one another, and for all people, just as we also do for you."

1 Thessalonians 3:12
