STRENGTHENING AND EQUIPPING HIS CHURCH

CHRISTMAS PARTY FOR AT-RISK CHILDREN

Children's lives are at risk in India today. Many are orphaned and others are thrust into the child trafficking industry. The gift given in your honour will provide help for abandoned and rescued children who are now living in protected homes. Empower's assistance will include food, housing and clothing, and a special Christmas party with a festive dinner, and new set of clothing and toys.

*This gift has been
given in your honour.*

"...and may the Lord cause you to increase and abound in love for one another, and for all people, just as we also do for you."

1 Thessalonians 3:12
